The Higher Standards Heavy Duty Rig is engineered specifically for the water filtration of concentrates. This durable, medical-grade borosilicate glass rig has been handcrafted for powerful, reliable performance, and features a quartz banger for optimal flavor transfer.

With slits on its diffused stem that create fine bubbles for a smooth draw, the Heavy Duty Rig boasts superior airflow and an airtight seal.

Each Heavy Duty Rig is sold in a reusable and reversible collector's case for safe storage and transport, and includes: a 14 millimeter quartz banger, premium silicone concentrate container, small tool, and large tool.

WHAT'S IN THE BOX

- 1x Higher Standards Heavy Duty Rig
- 1x Concentrate Container
- 1x Quartz Banger
- 1x Large Concentrate Tool
- 1x Small Concentrate Tool
- 1x Glass UFO Carb Cap
