The Eyce Hammer blends borosilicate glass with platinum-cured silicone for an unrivaled and virtually indestructible smoking experience. This feature-packed portable device brings durability and flavor, as well as aesthetic and functional design, to a whole new level.

The Hammer offers superior water filtration. Each draw produces a smooth, flavorful hit. Replace the glass bowl with a banger to transform the Hammer into a rig. Constructed with a hidden stash jar for your materials, the Hammer is perfect for on-the-go use. Featuring a built-in steel poker/packer tool to help clear the bowl, the rubber-like silicone body provides a comfortable grip and is high-temperature resistant.
