- Length: 3.5"
- Discreet & Portable
- Borosilicate Glass
- Narrow Bowl & Pinch
- Durable & Lightweight Design
- HS Triangle Artwork

The Higher Standards Glass Taster features a slender and discreet profile that delivers instant hits and convenient smoking experiences. With a length of only 3.5 inches, and constructed from medical-grade borosilicate, the Glass Taster sports remarkable durability and is extremely lightweight.

Equipped with a narrow bowl and pinch, this one-hitter pipe is the perfect on-the-go companion. The Glass Taster can be easily cleaned to crystal-clear perfection with the Higher Standards ISO Pure and Salt Rox, along with our other care and maintenance products. Pair with the Higher Standards Taster Holder for safe and smell-proof storage.
